

## Career Opportunities

There is a strong demand for graduates proficient in foreign languages to fill vacancies in any region, for example:

- Interpreters/translators
- HR staff
- International companies' staff
- International relations officers
- Any other jobs that require foreign language skills for international communication

Let us help you reach your academic goals! Complete your 4-year bachelor's degree with double majors/languages!

All courses are taught in either English or your target foreign language!

## Admission Requirements

- Senior High School Diploma or equivalent
